

## HeatCurve® Program

### Your customers do not buy 42,000 gallon lots, why should you?

Sprague's HeatCurve® Program lets you buy the same way you sell. We offer volume flexibility over 12 different schedules, so you can match your winter heating demand curve. Whatever your program, Sprague has a HeatCurve® schedule designed to cover it – in both full-volume and small-volume versions.

#### Benefits Include:

- De-risk forward program offers
- One price for the entire season
- Downside protection available
- Multiple schedules and volumes
- SpraguePORT® online account management
