

## You're in control with Sprague Real-Time®

### Take advantage of every market opportunity with the Sprague Real-Time® Pricing Platform

Sprague is committed to continually investing in products and services that make a difference for you—and your customers. That's why we've updated our Sprague Real-Time® Pricing Platform, the industry's best and simplest online tool. SRT2, launched in 2021, still has live price updates throughout the day and the ability to lock in the lowest Sprague price from the moment you place your order, but it has been expanded with additional features to further meet your needs. Our pricing platform increases your opportunities for successful purchasing and business decisions.
